PRESS RELEASE

Filing an Appeal Against the Criminal Court's Judicial Process

- Today, 27th May 2016, the lawyer who was granted power of attorney by Phrathepyanmahamuni (Most Venerable Dhammajayo) filed a petition with the Court of Appeals to overturn the Criminal Court's ruling. This ruling failed to grant the lawyer's request to have the arrest warrant rescinded. We are awaiting the Court of Appeal's ruling.
- To preserve the judicial process and prevent loss for all parties, we kindly ask the Department of Special Investigation (DSI) to defer the use of the arrest warrant until the Court of Appeal's decision is reached.
- Furthermore, the Medical Council of Thailand's decision to send specialist(s) from a neutral sector to diagnose and verify Phrathepyanmahamuni's (Luang Por Dhammajayo) illness is still pending.
